

8th ILAS CONFERENCE

Barcelona, July 19-22, 1999

The 8th ILAS Conference was held in Barcelona at the [Escola Tècnica Superior d'Enginyers Industrials de Barcelona \(ETSEIB\)](#) of the [Universitat Politècnica de Catalunya](#). The subject of the Conference was Linear Algebra in a broad sense, including its applications.

Organizing Committee: R. Bru, R.A. Brualdi, L. de Alba, M.I. García-Planas (co-chair), J.M. Gracia, V. Hernández, N. Higham, R.A. Horn, T. Laffey (co-chair), G. de Oliveira, F. Puerta (chair), P. van Dooren.

Local Committee: J. Clotet, A. Compta, M.D. Magret, X. Puerta.

We are very grateful to all people who has attended the Conference, which was enhanced by their contributions.

We would also like to thank those people apportioning us in many ways during all the stages of the preparation of the Conference, specially Rosa Maria Cuevas who created and has been in charge of this web page.
